Professional Objective:

A Computer Engineering graduates seeking for entry level positions in software field to apply technical knowledge ,problem solving abilities and strong analytical skills for the benefits of the organisation and personal growth.

Educational Qualification:

Qualification	University/ Board	Institute	Year Of Passing	Percentage/ CGPA
B.E. (Computer Engineering)	Mumbai	Vishwaniketan's imeet	2023-24	7.98
Diploma (Computer Technology)	MSBTE	Government Polytechnic, Pen	2020-21	87.89%
S.S.C	Maharashtra Board	Sau Manorama Bai Narayan Kanya Vidyalaya Pen	2017-18	81.00%

Projects Developed During Academics:

1. **Traffic Navigation System without signals**
   This project is an effective traffic navigation project without those traditional traffic signals. For this technique we are going to use Ad-hoc networks and kind of algorithms.

2. **Attendance Management App (Android Studio)**
   We developed an Android application for attendance tracking. Students can mark their attendance using their roll numbers. Only teachers have access to this system, ensuring that there is no proxy attendance.

3. **Currency Converter Website(HTML,CSS,JAVA)**
   In this project, We made it easy to change currencies from one to another, which helps people who are traveling abroad.

4. **Costing Dashboard(Power BI)**
   This is a marketing/business representation of a huge database. It allows us to easily detect the loss or profit of any sales, and is especially helpful for presenting large amounts of data.

Skills:
- Knowledge of Programming languages C, C++,HTML,CSS,JAVA
- App Development
- Power BI
- Web development using html, css and javascript

Extracurricular Activities

1. Attended Zensar training
2. Attended Value Addition Program on Core Java
3. Attended Value Addition Program on Android App Development
4. Participated in Smart India Hackathon
5. Attended Value Addition Program on Business Intelligence(Power BI)
